Lollipops and Roses Provided

"Lollipops and Roses" provided the theme for the Freshman Reception, September 29, in the Washington Street Gymnasium.

Following the introduction of the freshmen, the formal welcome and response were given by Howard Conley, senior class president, and Mike Siddons, freshman class president.

Decorations consisted of various colored crepe paper with lollipop and rose trees. The Headliners provided the music for the first formal dance of the year.

The first dance is enjoyed by seniors and freshmen.

Howard Conley, senior class president, enjoys the first dance with Linda Lee, freshman class treasurer.

Students await the presentation of the next freshman.

Queen Louise Reigns Over

Queen Louise Cummins, junior, sheds tears of joy after being crowned queen. The other candidates include Connie Hanson, senior; Pat Parsons, sophomore; and Janet Dinsmore, freshman.

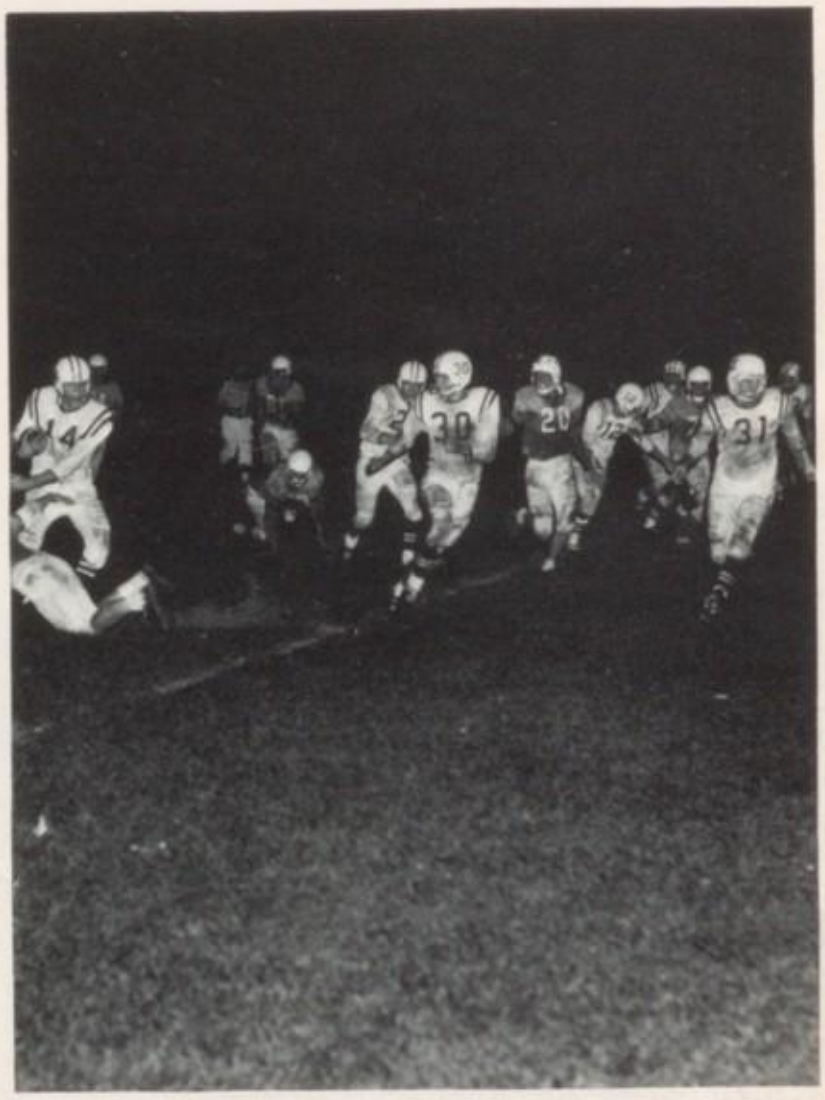
Louise Cummins, Junior, was crowned Homecoming Queen during the half-time ceremonies of the Decatur Central football game by J. C. Burnell, football captain. Queen Louise reigned over the Homecoming Dance in the Grid Room following the game.

Seniors took top honors in the float competition. The huge, gold-trimmed, black cannon shot firecrackers into the air to carry out the theme, "Blast 'Em." Cannon balls and a rifle leaning against a stump added to the warlike appearance of the float. The Student Council sponsored the Homecoming activities.

Homecoming Activities

"Blast 'Em," the senior float, won top honors in the float competition.

Queen Louise Cummins is crowned by J. C. Burnell, football captain, to highlight the evening.



The Warriors fought hard to defeat Decatur Central 53-0 to make the evening perfect.

Crowning of Snow Queen

The sound of jingle bells, bouquets of mistletoe and holly, and a Christmas kiss from the Hi-Y President, all combined to add holiday spirit to the annual Christmas dance. When all of these ingredients are put together and mixed well, the result is a good time. This is the recipe that D.H.S. students followed to make the dance and half-time crowning of Snow Queen Judy Gill a hit.

Rick Wilson crowns Judy Gill, Snow Queen of the Seventh Annual Snow Dance.

The candidates are Jill Crise, Susie Rodney, Queen Judy and Becky Poynter.

To make an even more successful evening, the Mighty Warriors won 72-53.

The candidates and their escorts applaud Queen Judy. LEFT TO RIGHT: Rick Wilson, Hi-Y President, Jill Crise, David Teany, Judy Gill, John Carr, Susie Rodney, Bill Montgomery, Becky Poynter and Don Wright.

The Senior girls gather around to congratulate the Queen.

Cherry Chop

Steve Fender and Michele Hazelwood admire the unique Cherry Tree.

The "Cherry Chop" was the theme chosen for a semi-formal dance in the Grid Room. In the center of the dance floor, a large tree covered with red balloons accented the theme. Crepe paper in patriotic colors with hatchets and profiles of George Washington added an air of celebration to the National holiday. Couples danced to the romantic music of the DHS Dance Band while Mr. Lynn Jones directed.

Mike Arnold helps Sally Myers with her coat.

The Dance Band supplied the music for the Cherry Chop.

Commemorates Washington

The success of the Cherry Chop was credited to Mr. Lynn Jones and the Dance Band.

Freshmen enjoyed a short chat between dances.

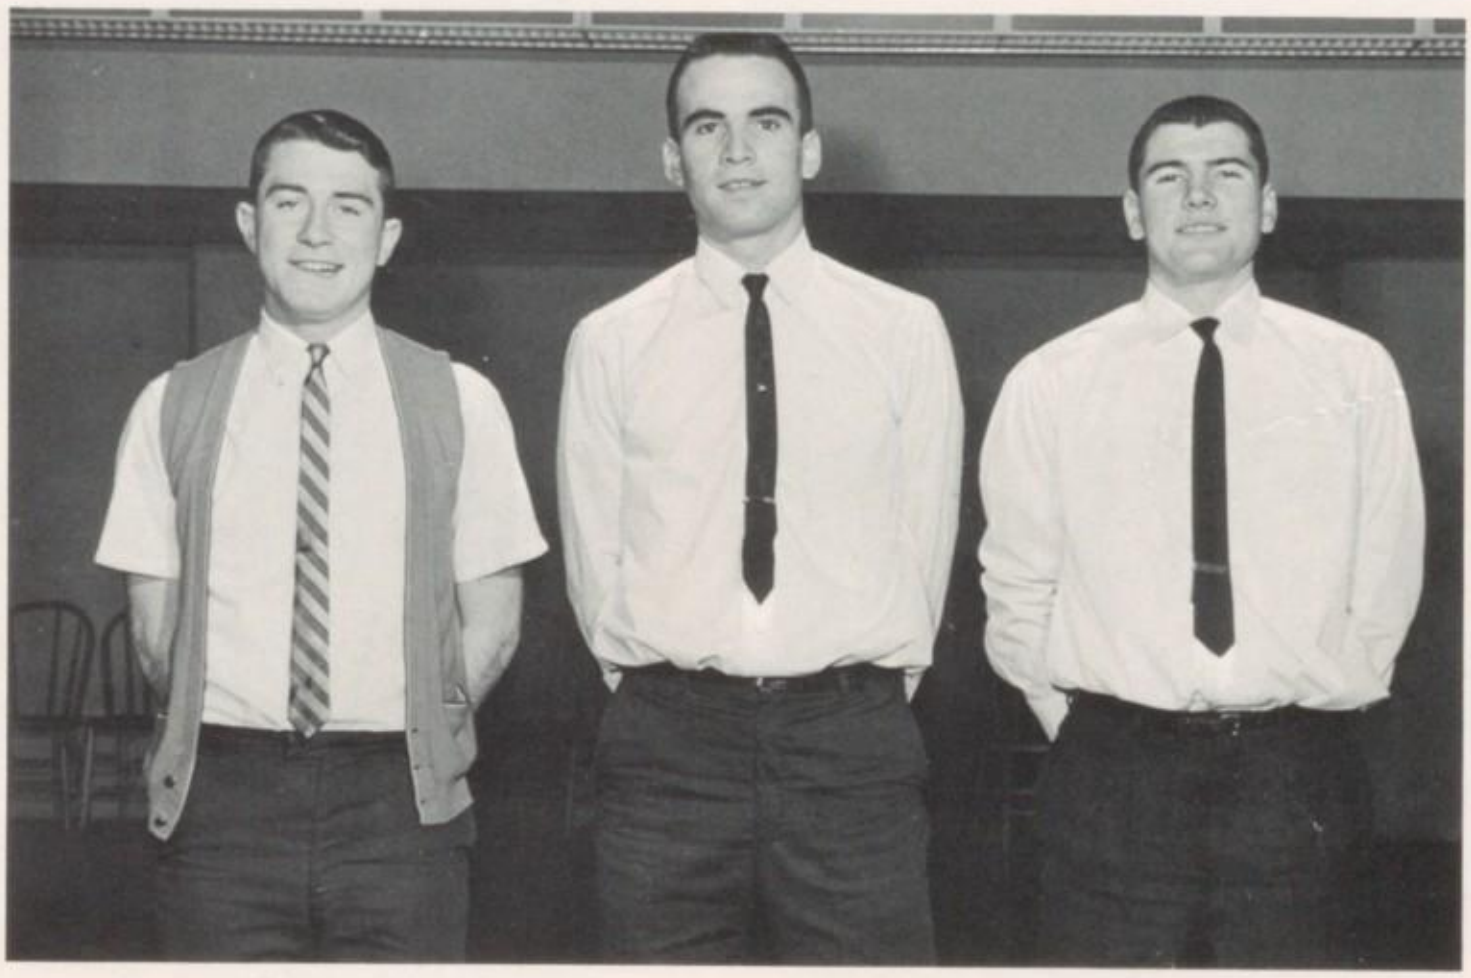
Couples rest after a vigorous twist.

Couples danced to slow dances, as well as cha-chas and twists.

King of Hearts

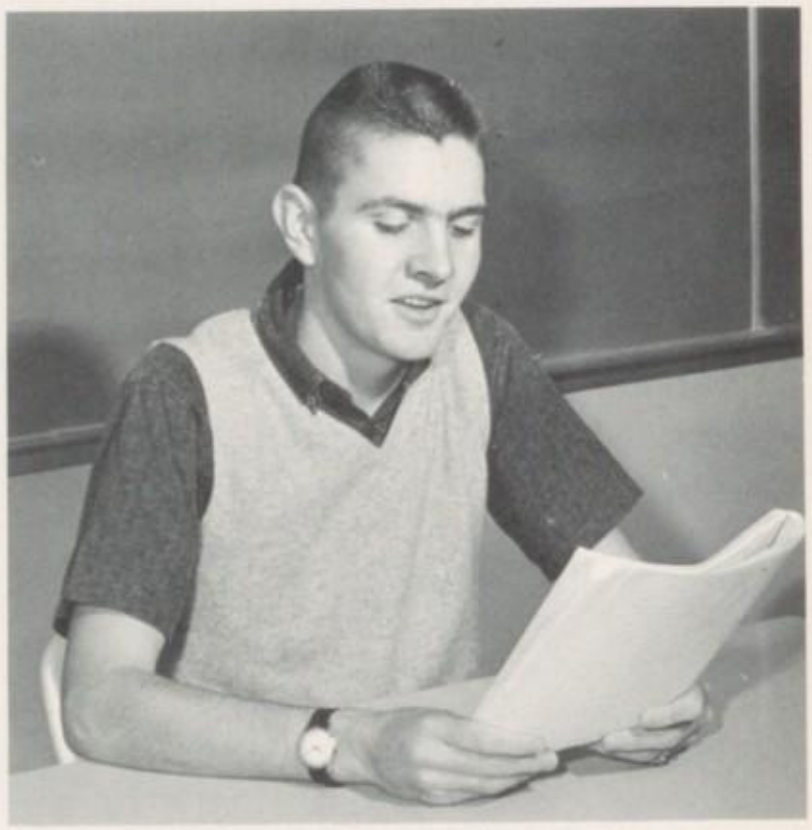
This year the King of Hearts was sponsored by the Tom Tom Staff, and the P.T.A. sponsored the dance at which he was crowned. The entire student body elected the king from a list of senior boys. Dave Weaver received the most votes and was crowned king by Helen Collins and Martha McGonigal, co-editors of the Tom Tom. Other candidates included: J. C. Burnell, Howard Conley, and Jim Disney.

Howard Conley, J. C. Burnell, and Jim Disney were the other three Sweetheart King Candidates.



Honors are Bestowed on Seniors

Chosen by the DHS faculty on the basis of character, leadership, scholarship, citizenship, and service, Helen Collins represented Danville High School in the county DAR, Daughters of the American Revolution, contest. The test, given to the DAR Good Citizens throughout the country, emphasized government on the federal, state, and local levels.



On November 17, 1963, Ed Rose earned a first place ribbon in the Boys' Radio Division in the Ben Davis Speech Contest. To win this ribbon, it was necessary for Ed to edit copy in a given time limit, read advertising copy, and ad lib a sports account. Ed also placed in the finals in the boys' Radio Division at Jefferson High School in Lafayette on February 9, 1963, and entered the sectional tourney at Bainbridge on March 9, 1963.

From a test on the knowledge of home economics given to senior girls, Betty Miles was selected the annual Betty Crocker Homemaker of Tomorrow. As an award Betty received a letter of congratulations from Betty Crocker and a homemaker pin. After winning in the local competition, Betty's papers were submitted for state competition.

Mr. Merrill Vaughan, performing the duties of the superintendent of Danville Public Schools, was assisted by his secretary, Mrs. Ruth Jones.

Have Food - Will Cook
Have Building - Will Clean

The cooks, Ophelia Mitchell, Helen Mitchell, Hazel Slater, Margaret Lynch, and Chloe Morgan, prepare well-balanced meals for the students and teachers. Often they are called upon to serve banquets.

"Through rain, sleet, and snow the busses must go." Transporting students in all kinds of weather is not always an easy task for the bus drivers. We are very proud of Effa Disney, Gene Ware, Ferris Stanford, Frank Wynn, Floyd Jennings, Warren Weakley, Maurice Woods, and Audrey Cane.

The custodians, Mr. Hadley, Mr. Stanford, and Mr. Chasteen, keep our school in good condition. They work long hours to provide a clean building of which we can be proud.

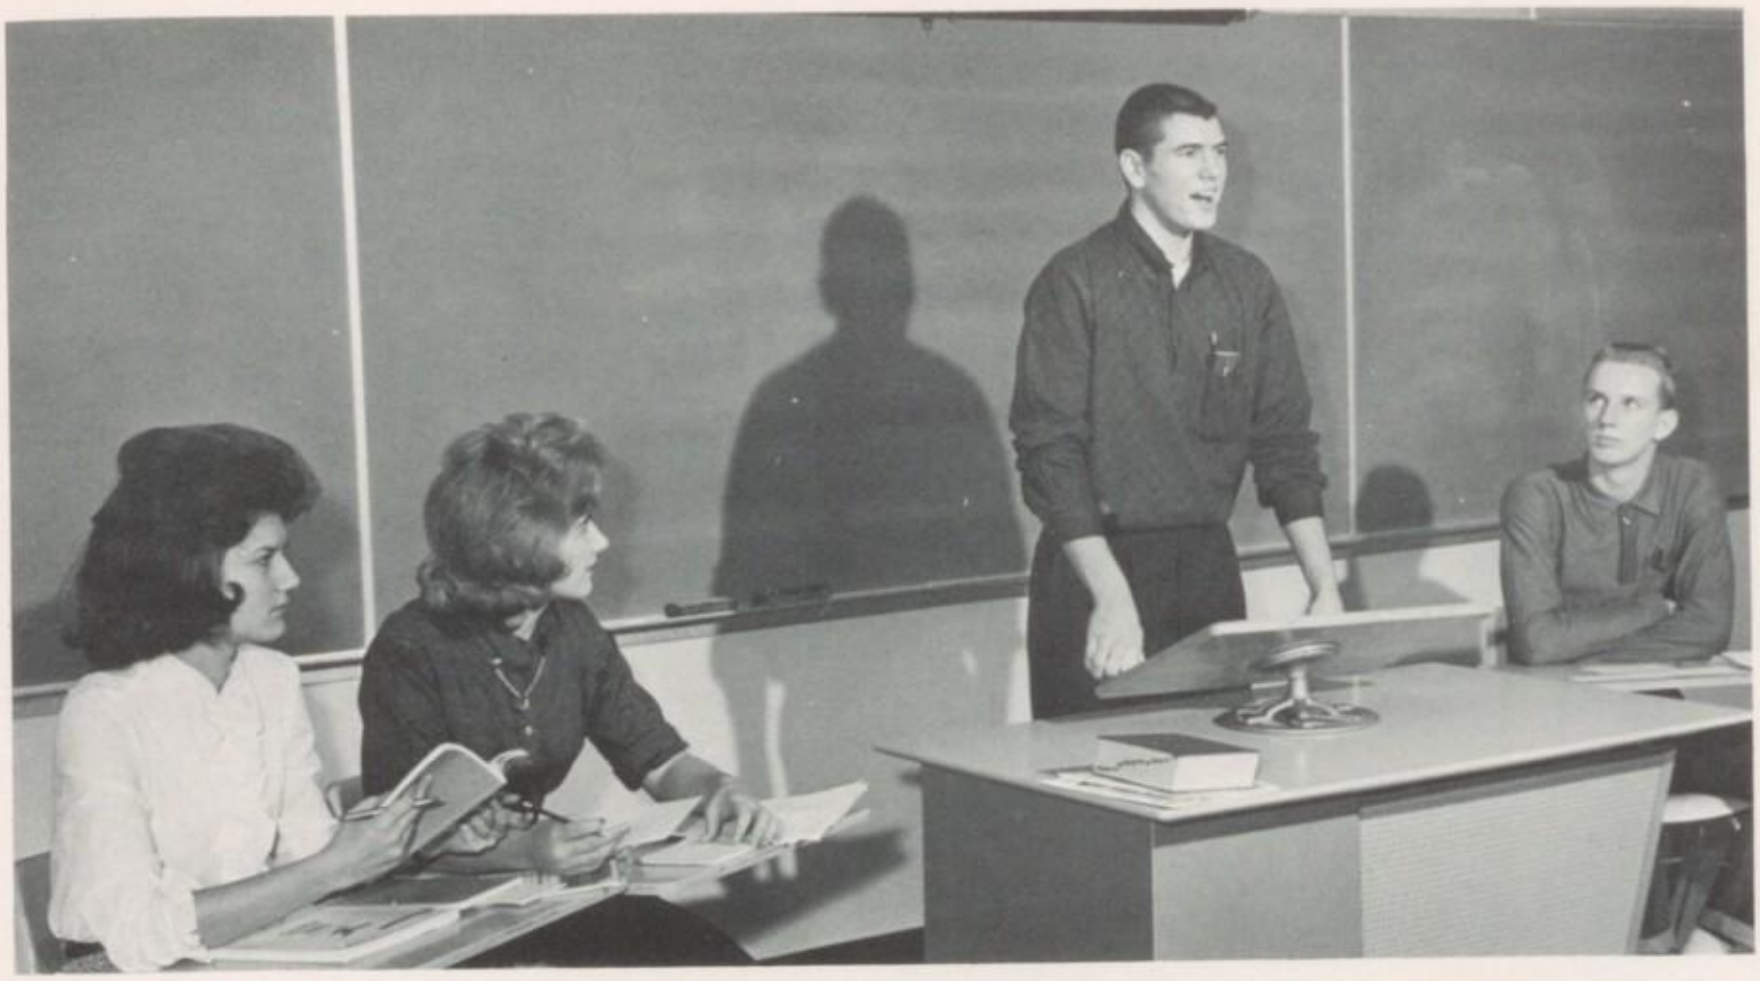
Pupils Discuss Modern Language

The Junior English Class seem to enjoy reading stories in their American Literature textbooks.

As Russell Leach gives his book report, his classmates listen with interest.

English is taught to the students of D.H.S. by Mrs. Louise Dollens, Mrs. Mildred Hoge, Mr. Bill Kassis, Mrs. Jeanette Kraft, Miss Susan Page and Mrs. Mable Pritchett. Beginning with this year, the Senior English department was divided into college preparatory and Business English classes. The courses offered during the four years of high school are Speech, Grammar, Literature and Composition. Aside from the regular English courses, a student may take Journalism, taught by Mrs. Vivian Gilham, for extra training in newspaper work.

Speech Develops Skills in Speaking



The team of Jim Disney and Terry Chandler give their refutation, while Jill Crise and Becky Parsons think of possible questions to ask them.

Speech students are now offered an advanced course of debate and dramatics after completion of the required sophomore speech course and the junior and senior speech class.

This year DHS became a member of the Forensic Debating League, which enables speech students to participate in debate and speech contests.

"The Jury Room," a three-act mystery, was presented by the speech class on October 26, 1962. A spring variety show was also presented jointly by the Speech Club and the music department.

Miss Susan Page and Mrs. Mable Pritchett aid students in developing the basic skills of public speaking.

Purdue Assembly delegates are, row one: J. Disney, T. Chandler, B. Poynter, J. Gill, E. Rose, H. Conley. Row Two: D. Livingston, J. Crise, M. Martin, C. Bair, P. Dagan, R. Dollens, R. Harbin.

Yesterday Prepares Us for Tomorrow

Members of the senior government class learn the fundamentals of good government.

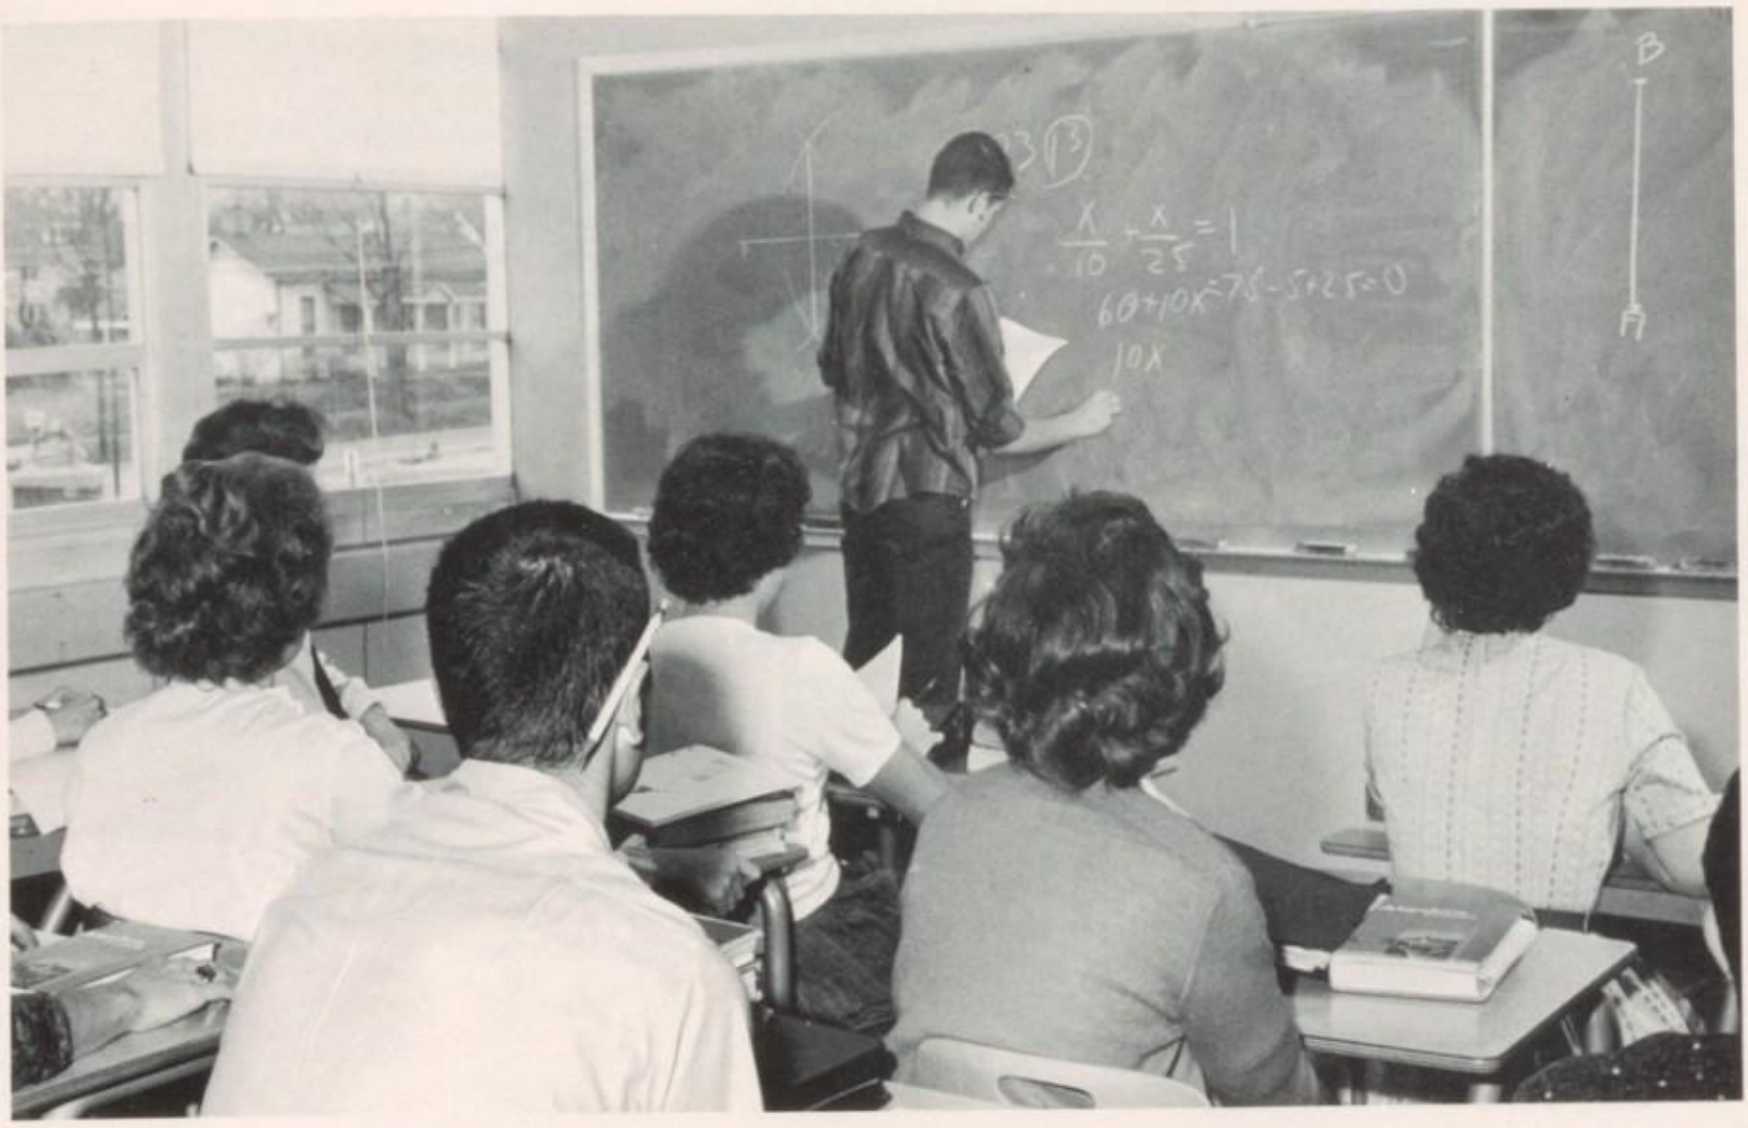
The freshmen seem to enjoy their citizenship class.

"Yesterday prepares us for tomorrow" might well be the motto of the social studies classes at DHS. In the four classes of social studies, pupils learn that history repeats itself and prepares us for tomorrow.

Courses of citizenship and U.S. Government prepare students to face the responsibility of an American citizen, while World History and U.S. History teach them how their ancestors organized and upheld their governments.

History classes are taught by Mr. Burns Becht, Mr. Keith Greve, Miss Wanda Keck, and Mr. Robert Leedy.

Math-A Basis for Higher Education



Don Ritchey shows the class how a simple algebra problem is worked.

Compasses, slide rules, and protractors are vital tools of learning for D.H.S. math students. Business math, algebra, plane geometry, advanced algebra, solid geometry and trigonometry prepare students for a higher education.

Rosemary Helton, Fern McElwain, Henry Cox, Edward Etienne and Russell Kirts try to stimulate interest and guide the students through the math courses.

Jack Clark tries to find the solution to his solid geometry problem.

Languages Are Tools for Learning

Gavin Hadley conjugates a Latin verb while his classmates watch for errors.

The well-known question of "¿Quién sabe?" is as familiar to the Spanish students as the conjugation of "amo, amas, amat" is to the members of the Latin class.

In addition to learning to speak "Espoñol," the Spanish students try to capture a little of the excitement and romance of Spain and other Latin American countries.

The Latin classes learn to make better use of their vocabularies while being introduced to Rome and works of Caesar.

Helping the students to make better use of these languages are Miss Wanda Keck of the Spanish department and Mr. Bill Kassis of the Latin department.

¿Habla usted español?

Efficiency Is Our Aim

Business courses at DHS provide students with the opportunity to further their knowledge of general office practices and to improve their basic skills.

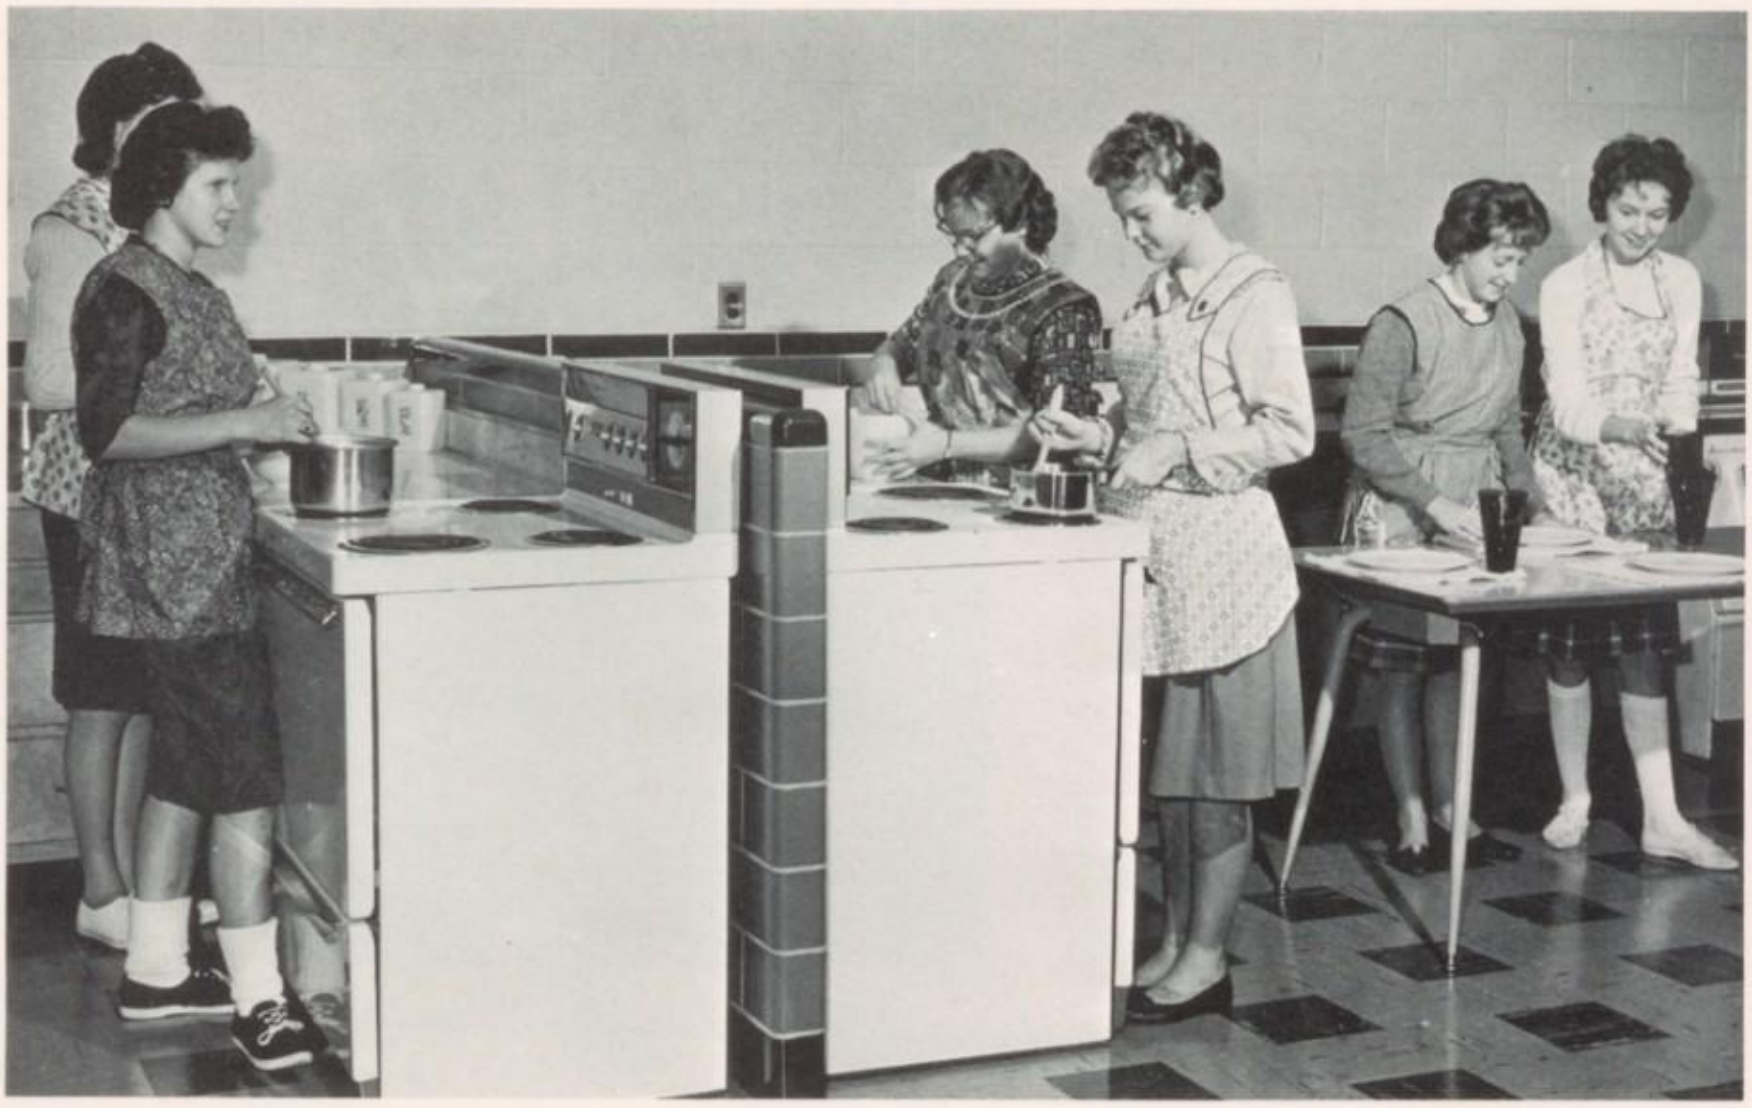
Business arithmetic, general business, typing I and II, shorthand I and II, and bookkeeping I and II add variety to the business courses.

Mrs. Vivian Gilham, Mrs. Marian Miller, and Mrs. Fern McElwain strive to promote interest in the field of business education.

Mrs. McElwain assists the advanced bookkeeping students with their work.

Second year shorthand students often take dictation at the board.

Home Ec. and Shop Provide Vocational Training



The Sophomore Home Economics girls learn to prepare many delicious meals.

Eighth Grade Shop boys learn the uses of many different tools.

When walking through the halls of DHS you may hear one of the boys exclaiming, Boy! What's cooking? It sure smells good!

They realize the delicious odor is coming from the Home Economics Department, where girls are taught the fundamentals of cooking delicacies, and practical and economical foods.

Mrs. Mary Helbig, Home Economics teacher, also teaches the girls the differences in fabrics, techniques in sewing, and making an inexpensive dress look unique and expensive.

The industrial Arts classes, under the instruction of Mr. David Jones, learned the fundamentals of woodworking, metalworking, printing and technical drafting.

Art and P.E. Develop Talent and Skill

Carol Griffin and Butch Page make a colorful display in the art room.

The art classes, under the direction of Mrs. Jeanette Kraft, are always busy with a new project. Crayon mosaics, charcoal portraits and paper tissue "angels" are only a few of the many interesting projects that students have completed this year. Many of these projects have been displayed on the bulletin board in the lower hall.

Under the supervision of Mrs. Louise Dollens and Mr. Bob Etienne the eighth grade, Freshmen and Sophomores participate in exercises, relays, skill tests and games in order to better their health and to learn the necessity of teamwork. The knowledge gained from sore muscles and defeated teams will be beneficial to all participants in their future lives.

Eighth grade boys learn the techniques in playing basketball.

Seniors Bid Adieu

The Senior year is the climax of one's high school days. Relations become closer and the class seems like a family unit. The parties, dances, and ballgames are just a few of the highlights. Even the fads that seem crazy to teachers and parents are quite realistic to Seniors.

The traditional senior cords are covered with many high school memories such as our undefeated Mid-State Conference Football Champs. But above all other symbols, seen on each and every cord is the class motto, "MAKE LIFE WORTH LIVING".

Phil Adds a Little Bit

Philippe "Phil" Dagan was the foreign exchange student at DHS during the 1962-63 school year. Originally from Paris, France, Phil made his home with the C. W. Mitchell family during his stay in Danville.

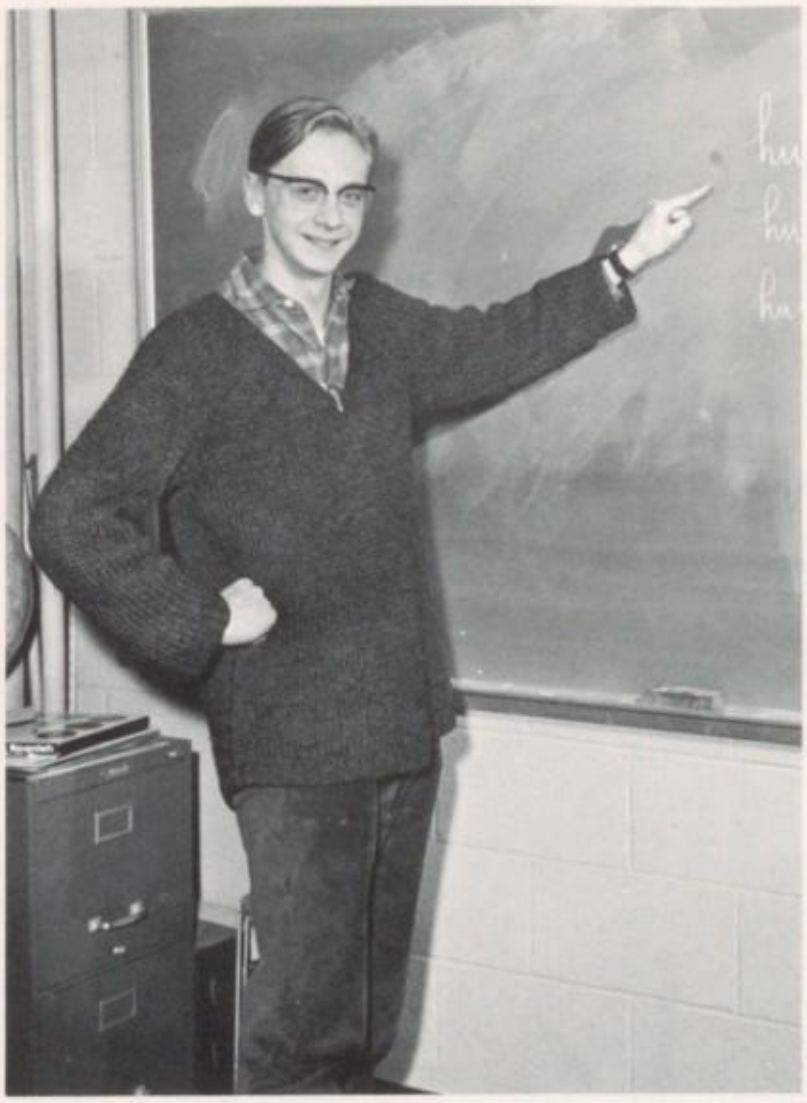
Throughout the year, Phil took an active part in the many activities, both scholastic and extracurricular, offered at DHS. As guest of honor at Helen Collins' party in August, Phil learned many of the customs of American teenagers.

Among the various activities that Phil entered were; serving as Parliamentarian of Spanish Club, attending Purdue Legislature, playing the trumpet in the band, and speaking at various organizations including the DCTA.

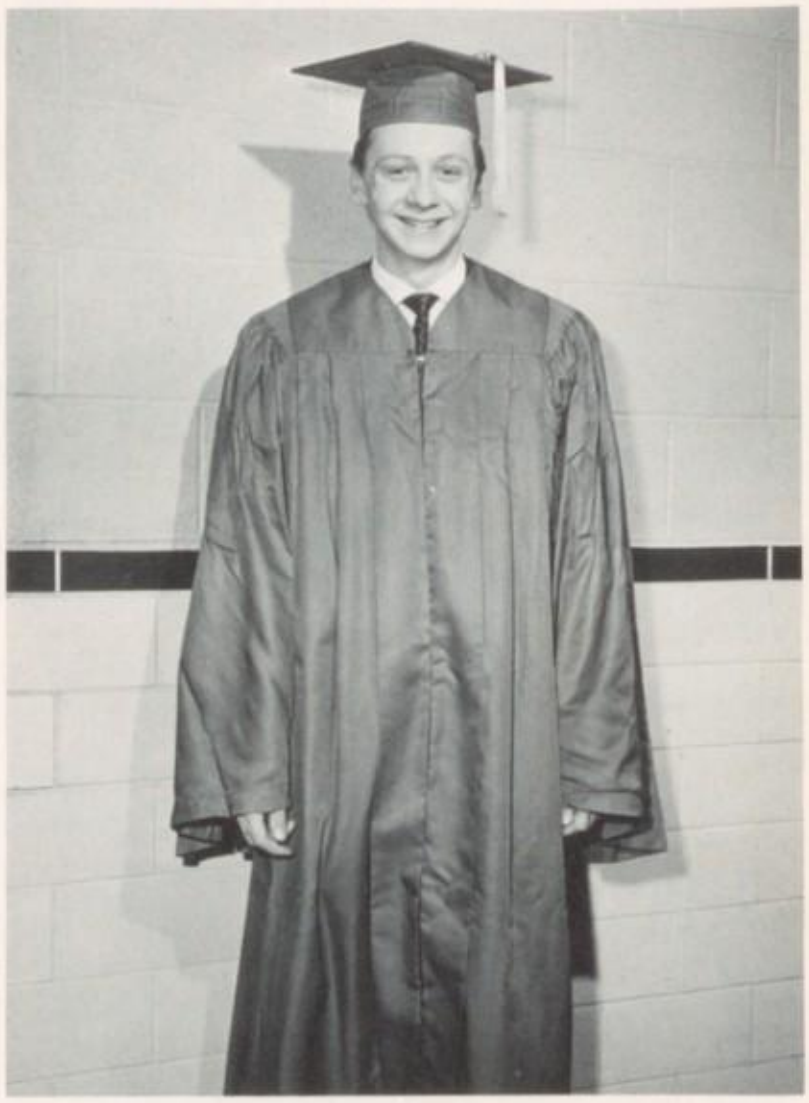
Although we are dedicating only these two pages to you, Phil, we wish to thank you for introducing new ideas and customs into our way of life. We wish you all the success and happiness possible in the years to come.

Senior girls enjoy listening to Phil's descriptions of Paris.

of "Paris" to DHS



Phil was called upon many times throughout the year to conjugate Spanish verbs.



The custom of commencement exercises is new to Phil.

Helen Collins and Judy Gill explain the differences in the American Twist and the French Can Can.

Phil proves helpful in decorating for the Cherry Chop.

There is only one more step to the top of the ladder when a student becomes a Junior, but there are still many things to learn.

Besides being eligible for many new classes, the Juniors have to remember the price of popsickles and how to balance a rack of sparkling cokes.

The high spot of the Junior year is the annual Junior-Senior Reception. This is the last big moment before the final step.

Now, look straight ahead. Steady yourself and be careful: It's a very big step!

JUNIOR CLASS OFFICERS: Jim Dever, President; Susan Jones, Secretary; Dave Myers, Vice-President; Tom Clark, Treasurer.

The second step on the high school ladder is just as hard as all of the rest. Sophomores are faced with many important decisions. "Should the set in my class ring be red or rainbow?" "What can I do to make that sharp senior notice me?"

These second year high school students feel that they have done quite a bit when they remember the Freshman class, a year behind them. But then they look up the ladder and find each rung steeper than the last.

SOPHOMORE CLASS OFFICERS: Mike Funk, Treasurer; Linda Rutledge, President; Susan Ellis, Secretary; Brad Clark, Vice-President.

With their introduction at the annual Freshman Reception, the Freshmen are officially welcomed into high school.

The Freshman year could best be described as a year of "firsts". It is the first year that the freshmen are eligible for many clubs and also the first year that they are represented in the Student Council.

Gaining knowledge and experience as they go, the Freshmen soon become ready to meet the new and sometimes trying experiences and problems of school like with an assurance that they, too, will fulfill their goals.

FRESHMAN CLASS OFFICERS: Mike Siddons, President; Jack Lawson, Vice-President; Diana Leach, Secretary; Linda Lee, Treasurer.

As we leave the great halls of DHS many memories linger within. We pause and take a backward glance at our years past and we see our accomplishments. This hall marks the completion of one part of our journey through life. This phase of our lives was one of pleasant days and friendships that gave meaning and purpose to our work.

We are proud that this record has been written and we are glad that our fortunes let us walk this way.
